Paul Taylor Photo

"One of the most exciting, innovative, and delightful dance companies in the entire world." The New York Times

A company 53 years in existence. Performances in 520 cities in 62 countries. A choreographer who has already created 127 dance works and shows no signs of stopping. The statistics only tell a part of the story of this remarkable company and the man behind it.

Taylor's choreography has become the "gold standard" of modern dance. We are honored to bring PTDC to Seattle for a must-see return visit! (The Thursday night performance of PTDC opens this season's American Masters Sampler, a very special four-part package featuring works by exceptional American choreographers, musicians, and composers.)

**Program**

Public Domain  
Beloved Renegade  
Esplanade  
All choreography by Paul Taylor. The program will run with two intermissions.

**Special Event**

Paul Taylor, American Master  
A Post-Show Conversation with Members of PTDC  
Friday, October 9  
Please join us after the show on Friday night for a conversation with members of the Paul Taylor Dance Company, who will explore Paul Taylor's legacy as an "American Master." The talk is free to all Friday-night ticket holders and will take place in Meany main auditorium immediately following the performance.

**Traffic Alert: Saturday, October 10**

Due to a Husky football game that starts at 7 PM, there will be extremely heavy traffic around the UW campus both before and after the Paul Taylor performance on Saturday, October 10. Please allow extra time to find a place to park.
